

# LOUNGE TALKS AGENDA 2019

10.00 **Welcome**  
Brett Marshall

10.15 **The entrepreneurial learner**  
Host: Frank Radice  
Panel: Susan Amat, Alexandra Isenegger, Joysy John  
Entrepreneurs experiment, fail fast, adjust, iterate, improve... they're uber-learners! What can we learn from their stories that will help to nurture a culture of entrepreneurial learning?

11.00 **COFFEE**

11.30 **Influencing culture and behaviours in care services**  
Jonah Goldstein, Sodexo  
The patient experience has a decisive effect on recovery rates from illness. Jonah describes an innovative programme that used emotive video to reinforce positive carer behaviours.

12:00 **The learning brain: how our new understanding of how brains work is changing learning theory**  
Host: Carole Bower  
Panel: Charlotte Hills, Ali Asadipour, Doron Wijker  
Experts in neuroscience, behaviour change and multisensory interactions discuss the opportunities that advances in knowledge about the brain are opening up for learning.

13.00 **LUNCH**

14.00 **Buzzword bingo!**  
Peter Manniche Riber, ex-Siemens  
Carl Crisostomo, Saba Lumesse  
It's easy to get exasperated by jargon - but what does the language we use reveal about our deeper attitudes to the business of learning?

14.30 **Design thinking: how to think your way out of a paper bag**  
Host: Marc Ortman  
Panel: Chris Hildrey, Anastasia Leng, Dr Jamie Brassett, Simon Rupniak  
How can the creative process help us build better businesses? Can data help us make better creative decisions? Design Thinking: hype or holy grail?

15.30 **TEA BREAK**

16.00 **Learning at work - a practitioners view**  
Simon Gibson, Leader of learning and organisational development  
Science, technology and a better understanding of the human brain have helped to shape how we learn and access learning. Find out how this approach to learning can be applied in organisations.

16.30 **Voice technologies and learning**  
Host: Kane Simms  
Panel: Laura Morinigo and speakers to be announced  
It's the fastest-growing technology since the blackboard, but what is it going to be when it grows up? Experts and entrepreneurs explore its learning potential.

17.30 **Welcome to Saba**  
Phil Saunders, President and CEO of Saba  
Your talent development journey drives our innovation at Saba. Join Phil Saunders, Saba's CEO, who will close out the day with a view to the future.

You'll hear about our vision, strategy and commitment to your success with the advanced learning and talent solutions you need to stay ahead of the curve.

18.00 **DRINKS RECEPTION**

**LEARNING LOUNGE**

**SABA**  **Lumesse**
